Greensboro Housing Coalition

SPRING 2025

With everything around us blooming, GHC wants to grow too!
Check out these stories of what GHC is up to these days...

GHC Impact: Legacy Crossing Fire

After a fire started at a local apartment complex *Legacy Crossing*, over 15 people were forced out of their homes. GHC was able to bring a few of the individuals to our office and provide them with essential hygiene and clothing items, board games to keep their spirits up during such a tumultuous time.

The day following the fire, GHC coordinated with community partners such as Second Harvest Food Bank to hold a community resource fair for those affected by this tragedy at a local church. So far, two households displaced due to this fire have been provided Emergency Transfer Assistance through GHC's ETAP Program to relocate to a safe and healthy unit.

It is community collaboration like this that helps our residents to be resilient during times of hardship.

Save The Date: 2025 Housing Summit

On October 16th, join us for the 2025 Housing Summit — a powerful day of insight, storytelling, and solutions as we tackle housing, health, and transportation barriers head-on. This is more than a summit — it's a movement. Mark your calendar and be part of the change in Greensboro!

Follow our Facebook to get updates on the agenda and other details for this event!

Bee-Come A Part of the Challenge to raise \$50,000!

Spring shows us how bees and other insects keep our flowers blooming and flourishing throughout the season - and GHC needs you to help us blossom this year.

A generous sponsor will match any donations from April 1 to June 1. So - a **little green** can go a **long** way! Can we count on you to join GHC in getting to our goal?

GHC provides invaluable advocacy and educational services to the most vulnerable and underserved households in Greensboro. Your support and donations are what keeps this important work going.

DONATE ❤️

Spring is here, join the fun and **BEE** - come a Housing Hero!

Scan the QR code below to give now!

Your donation to GHC directly supports efforts to combat homelessness and housing insecurity in our community. With your generosity, we can provide safe and affordable housing solutions to those in need.

Give Online Today!

Give | Greensboro Housing Coalition

Your contribution enables us to reach more families, advocate for equitable housing policies, and create lasting positive change. Thank you for making a difference and helping us build a stronger, more resilient community together.

Community Events: LandroLab Grand Opening

Greensboro Housing Coalition was invited to attend the Grand Opening of two local LandroLab laundromats. GHC provided several households with information for themselves, as well as friends and family that are experiencing housing disparities.

All attendees were able to wash and dry their items free of charge, as well as the chance to win some high-ticket prizes. This grand opening was an amazing opportunity for GHC to spread awareness of services, right in the heart of where we are located.

GHC is proud to serve in this capacity in furthering its mission to advocate and educate underserved communities in accessing and maintaining healthy, safe and fair housing.
